Choose from one of our three protection plans:

MVP Regular
Solid protection at a reasonable cost.
This plan covers your vehicle's important drivetrain components.

MVP Premium
Offers the benefits of our Regular plan, as well as extensive coverage of your vehicle's mechanical and electrical systems.

MVP Ultra
Security from the unexpected, this plan offers our **maximum** level of protection for your vehicle's drivetrain, as well as its mechanical and electrical systems.

About Old Republic Insurance Company of Canada
Old Republic Insurance Company of Canada (www.orican.com) is a Canadian federally licensed Property and Casualty insurer, with our head office in Hamilton, Ontario. We have focused on being an industry leader in the underwriting of long haul trucking insurance and also specialize in the manufacturing and administering of customized, private-label products for distributors of travel, student accident, and disability insurance. Our strengths lie in our high quality products, customer service, and integrated administrative/claims capabilities developed from decades of supporting Canadians.

This brochure highlights the benefits of the MVP Protection Plans. Please refer to the actual policy for coverages, exclusions, terms, conditions, and limitations.

OLD REPUBLIC CANADA

MVP
Mechanical Protection for Pre-Owned Vehicles

Coverage geared for the way you drive.

Life is full of the unexpected. Mechanical or electrical failures can happen to your pre-owned vehicle at any time. But with Old Republic's MVP program, the components of your vehicle are covered starting the first day of your vehicle's purchase. No surprises – just peace of mind for the road.

Our MVP protection plans give you a wide range of pre-owned vehicle coverage that is custom-fit for vehicles with kilometrage in excess of 100,000 kilometers. Simply choose from three levels of coverage that best suit your needs. Our protection plans help ensure that the investment in your vehicle is protected and that your out-of-pocket expenses for repairs are kept at a minimum.

REGULAR MVP PLAN SM

ENGINE: All internal parts; manifolds; timing gears, tensioner and guides, chain or belt; flex plate; oil pump; engine mounts; harmonic balancer. The engine block and heads, valve covers, timing cover, and oil pan are covered only if damaged by the failure of an internal part.

TRANSMISSION: (Automatic or Manual) All internal parts; torque converter; transmission pan; transmission mounts; vacuum modulator. The transmission case is covered only if damaged by the failure of an internal part.

TRANSFER CASE: All internal parts; transfer case mounts. The transfer case is covered only if damaged by the failure of an internal part.

DRIVE AXLE: (Front / Rear Wheel Drive) All internal parts; axle shafts; constant velocity joints (any damage to the constant velocity joint due to the failure of the sealing boot is not covered); universal joints; propeller shafts; axle bearings; hubs and hub bearings. The drive axle case is covered only if damaged by the failure of an internal part.

This brochure highlights the benefits of the MVP Protection Plans.

Please refer to the actual policy for coverages, exclusions, terms, conditions, and limitations.

PREMIUM MVP PLAN SM

Covered parts include those named in the Regular Plan plus:

COOLING: Water pump, belt tensioner.

FUEL: Turbocharger housings and internal parts; fuel delivery pump. Electronic fuel injection sensors, control unit and injectors, camshaft and crankshaft position sensors; knock sensors; manifold pressure sensors; supercharger housings and internal parts.

STEERING: Gear housing, rack and pinion, internal steering rack seals, and all internal components; power steering pump and pump seal; steering column shafts, joints and couplings.

SUSPENSION: (Front and Rear) Upper and lower control arms; control arm shafts and bushings; control arm linkage; ball joints; torsion bars and bushings; steering knuckles / spindles; stabilizer shaft linkage and bushings; wheel bearings; strut upper mount / bearing plate (strut shock absorber function is not covered).

AIR CONDITIONING: Compressor; clutch and pulley; condenser; evaporator; receiver-drier; refrigerant valves; expansion valve and pressure cycling switch; accumulator; idler pulley and bearings; orifice tube.

BRAKES: Master cylinder and seals; wheel cylinders and seals; disc brake calipers; power brake booster; hydraulic brake lines, fittings and valves; parking brake linkage and cables; anti-lock brake system: electronic control unit, wheel / speed sensor(s), valve(s), hydraulic unit, accumulator, modulator, and actuator(s).

ELECTRICAL: Alternator; starter motor; starter solenoid; starter drive; alternator voltage regulator; power window motor; power seat motor; wiper motors; distributor; manually operated switches; coil; horns; horn relay; electronic ignition module; rear window defroster (except for physical damage); rear window heating relay; power door lock actuator; convertible top motor; power antenna motor and mast drive cable; electronic transmission control module.

ULTRA MVP PLAN SM

Covered parts include those named in the Regular and Premium Plans plus:

COOLING: Temperature sensors; thermostat; electric cooling fan motors; fan clutch and pulleys; belt tensioner; coolant recovery tank; radiator and mounts.

FUEL: Throttle body; throttle cable / linkage; fuel lines and fuel regulators; turbocharger / supercharger wastegate; bypass valve; actuators and sensors; EGR valve.

HYBRID ELECTRIC DRIVE: Electric motor; power controller; hybrid transaxle; electronic transmission; inverter; generator(s); electronic display monitor. Hybrid drive batteries are not covered.

TRANSMISSION & TRANSFER CASE: (Automatic or Manual) Electronic transmission and transfer case control modules; shifter and shift linkage; electronic shift control sensors, solenoids and switches; auxiliary cooler, hydraulic clutch master cylinder and slave cylinder; all wheel drive engagement module and actuator.

STEERING & SUSPENSION: Power steering lines/hoses; tilt wheel mechanism; steering center link; idler arm; tie rod ends; pitman arms; steering dampener; springs.

AIR CONDITIONING: Temperature control panel and module; vent mode door actuator and motor; blower motor, switch and resistor; heater control valve and heater core.

ELECTRICAL: Gauges / stereo / audio equipment; cruise control components; sunroof motor; mirror motors; wiper washer pump and motor; combination entry system transmitters and receivers.

CHASSIS HARDWARE: Hood / door / hatch / trunk latches, cables, hinges, supports and springs; glove box/console lock and latch; ignition lock and tumbler; window regulators; seat belts; trunk and fuel door release cables or controls; mechanical seat tracks and springs.

SEALS and GASKETS

Seals and gaskets coverage is provided for all parts listed in the **PREMIUM** and **ULTRA** component groups.

ADDITIONAL BENEFITS (All Plans)

No deductible applies to the following reimbursement benefits:

CAR RENTAL: If your vehicle incurs a covered breakdown, you may also be eligible to receive reimbursement for a portion of your car rental costs. The amount we will repay you depends upon the total authorized cost of covered repairs for each repair visit.

EMERGENCY ROADSIDE ASSISTANCE: Hassle-free and available on a “sign & drive” basis throughout the US and Canada, 24 hours a day, 365 days a year, up to $150 per occurrence. Call 877-558-6684 for the following benefits:

Towing • Lock-Out Assistance • Flat Tire Assistance
Fuel Delivery Services • Battery Service
